

FIG. 1

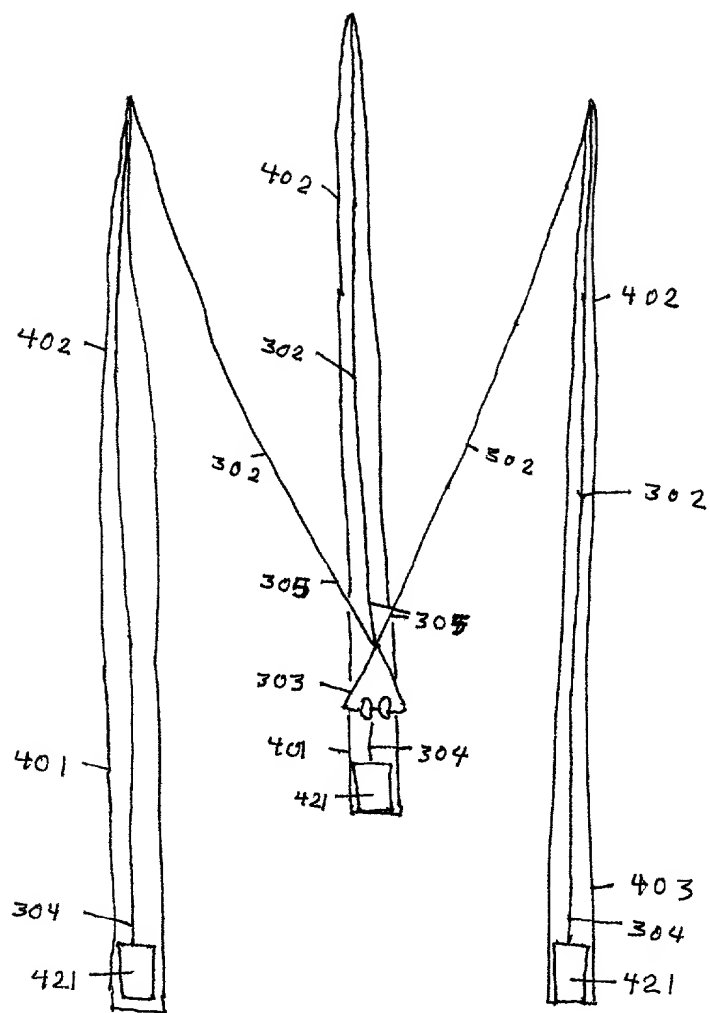

Figure 1

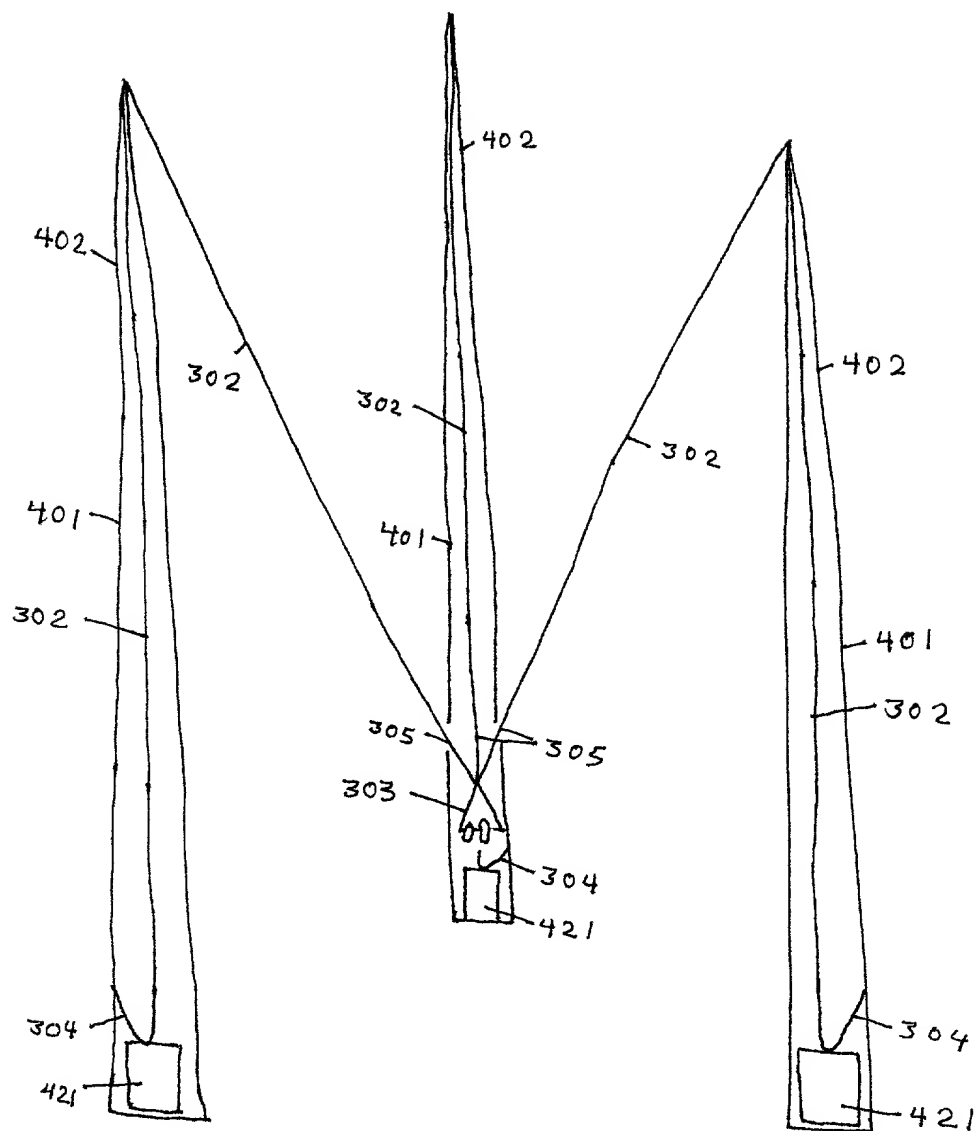

Figure 2

The diagram shows a longitudinal view of a medical device. It consists of a main shaft with a curved handle at the top. The shaft is divided into several sections by horizontal lines. The handle is labeled 304. The shaft is labeled with various reference numerals: 413, 410, 411, 414, 404, 415, 403, 409, 417, 416, 422, and 412. The shaft is shown in a slightly curved position, with the handle at the top and the tip at the bottom.
